The Edith and Peter O’Donnell Awards

For Texas-based researchers whose work meets the highest standards of exemplary professional performance, creativity and resourcefulness

Call For Nominations

The Academy of Medicine, Engineering and Science of Texas (TAMEST) invites you to submit your nomination for the 2018 O’Donnell Awards.

The O’Donnell Awards annually acknowledge outstanding achievements of rising Texas researchers in four categories:

• Medicine
• Engineering
• Science*
• Technology Innovation

Award recipients receive a $25,000 honorarium and medal, and are honored at TAMEST’s Annual Conference in January. Next year’s conference will be held January 10–12, 2018, at the South Shore Harbour Resort and Conference Center in League City, Texas. Award recipients are invited to the conference to present their research to attendees.

The deadline for submitting nominations for the 2018 O’Donnell Awards is April 30, 2017. More information, including nomination guides and applications, can be found on the TAMEST website: tamest.org.

For assistance with submitting nominations, contact Cindy Kralis at 512.232.8495 or ckralis@austin.utexas.edu.

*Preference will be given to nominees in the physical sciences for this year’s science award.
